

**West Cheshire Postgraduate Health Education & Research Foundation *affiliated to*
Chester & North Wales Medical Society
Application for Funding of Projects**

Applications will be considered by the WCPHERF and Chester & North Wales Medical Society. The applications must be related to education / research and or events promoting networking of local doctors. Payment of a salary to an individual is not ideal use for funding but can be considered in exceptional circumstances.

For example, applications could be considered for tangible items to help education, ie; a teaching arm for a microscope / piece of surgical equipment for a skills lab / equipment to improve video link with a major centre / educational materials for doctors.

The Fund is aimed at General Practitioners as well as hospital doctors. Study leave is not funded. The lead applicant must be a member of Chester and North Wales Medical Society

Name of Applicant(s):

Address:

Amount of funding requested:

Purpose for which funding will be used:

What evidence will be produced to show the funding has been used appropriately and when can this evidence be submitted to the committee.

Please return completed application forms to Zoe Jones, Medical Education, EDTC, Countess of Chester Hospital, Liverpool Road, Chester, CH2 1UL. Alternatively you can email your completed form to postgraduate.education@nhs.net
